Georgia State University, a unit of the University System of Georgia, is an equal educational opportunity institution and is an equal opportunity/affirmative action employer.
Department of Kinesiology and Health

Exercise Science Major - M.S. Degree
Guidelines for KH 7750 Internship

PURPOSE

The purpose of the internship is to afford the student practical experience in planning, organizing, assessing, and implementing programs in exercise science including, but not limited to, industrial fitness, health clubs, rehabilitation clinics, wellness centers, and athletic clubs. A student can select more than one site and divide time between the sites to gain multiple exposures. A minimum of 250 hours are required for the internship. Typically, a student will work 17-18 hours a week during a 14 week semester. For summer internships, a student completes the internship over the May and Summer sessions combined (11 weeks), and 20-25 hours a week are required. To select a site for the internship the student should consult with their KH advisor in the Exercise Science program. **NOTE: KH 7750 is graded S/U.**

SITE REQUIREMENTS

Potential agencies for internship experiences are expected to meet the following criteria:

1. The site supervisor must be degreed in Exercise Science, Physical/Occupational Therapy, or Athletic Training to supervise the student.

2. The program at the site is expected to provide an opportunity for well rounded experiences in exercise science (fitness evaluation, prescription, rehabilitation procedure, or related experiences).

3. Opportunities should be provided for the student to evaluate fitness or wellness, discuss results, write prescriptions, and counsel clients.

4. Additionally, the site supervisor may have special projects for the student to work with.

A list of potential sites is on the KH website.
Exercise Science Internship Guidelines

I. Planning for the Internship
   A. Application and Advisement
      1. The student must apply for the internship by the deadline date assigned for the semester you wish to intern prior to actual placement by completing the forms in this handbook.
      2. The forms are:
         a) Exercise Science Internship Initial Report
         b) Clinical Agreement Request Form if a new site or renewal
         c) Insurance certificate or Memorandum of Insurance (MOI). No receipts of payment will be accepted since this does not indicate that you are covered and for what amounts.
         d) Resume
         e) CPR card copy – must be valid through the end of your internship – those that expire during the internship will not be accepted. **Must be American Heart Association BLS (Basic Life Support) unless your site specifies American Red Cross (sports medicine for example). Online only courses will not be accepted.**
         f) Check List – included in this packet
   B. Prerequisites
      1. Students should have completed all course work before doing an internship, including core classes. This means that Area A-G must be completed.
      2. Laura Abbott will verify your I-COLLEGE program evaluation.
   C. Registration
      1. When approved (all paperwork has been turned in, and your site contract has been fully executed), Laura Abbott will contact Keneta Brooks to approve you to register yourself for the course. **Please make sure all holds on your account are removed.**
      2. No other course work should be taken during the semester of the internship, unless it is for a pre-requisite for graduate school that is NOT related or required for the Exercise Science degree.
      3. Total number of hours for KH 7750 is 6 hours
II. Evaluation

A. Criteria for Grade – The grade for the internship (S/U) will be determined by Laura Abbott, MS, LMT using evaluations by the site supervisor as well as other information.

B. Supervisor Rating: Two ratings of the student by the site supervisor are required. They are submitted with the student’s midterm and final reports. A sample copy of the rating form can be found on the KH website under “Current Students” and on I-COLLEGE under KH 7550.

FINDING YOUR INTERNSHIP SITE

The best way to find an internship site is to use the list of approved internship sites on the KH website and call the site. Identify yourself as a prospective GSU intern and arrange for an on-site interview if they are accepting interns. Do NOT arrange an internship by telephone. Students must go to the prospective site with their resume and interview. Signatures are required in the Initial Report.

START/END DATES FOR INTERNSHIPS

- Fall/Spring Semesters: The start date is the first day of classes and the last day is the last day of classes (not the week of finals).
- Summer Semester: The first day of May-Mester and ends the last day of the 7-week summer semester classes (not the week of finals)

EXTRA INFORMATION FOR SOME SITES

Some clinical internship sites require additional materials (Piedmont Hospital and many other hospitals). These materials usually include a criminal background check, drug screen, proof of immunizations, as well as other requirements. The cost can run between $70.00 to 204.00). It is the responsibility of the student to submit these additional materials required by the site and pay any associated costs. Please see within this handbook the requirements for Piedmont and Northside Hospitals.

Be aware, some hospital sites, such as Northside, have their own deadline dates. Check the website (beginning on page 12 in the handbook) to make sure you meet their deadline dates.

If you think you want to intern at a hospital, it is IMPERATIVE that you send your initial report to Ms. Strosnider or Ms. Abbot ASAP so that we can begin your application process. It is also VERY IMPERATIVE that if the hospital is not yet on our approved list, that you turn in the New Site Agreement within 72 hours of your internship meeting. Hospitals will not let you begin your internship until the contract with GSU is signed, and this process takes 3-5 months. If you change your mind and choose another site, it is not a problem if the contract process has already been initiated. It may help another student later.
Responsibilities of the Parties

It is understood that responsibilities of the internship are shared between the University (Department), the student, and the agency of assignment. The student responsibilities are set forth as follows:

Student Responsibilities:

1. To have a prepared vita.
2. To be dependable, arrive on time, do assigned work conscientiously, inform the supervisor when absence will be unavoidable.
3. To display initiative at all times.
4. To be professional in appearance: neat, clean, and suitably dressed.
5. To act in a professional way: be courteous, discreet, reliable, objective, non-defensive and logical.
6. To strive toward excellence at all times.
7. To strive to exceed performance expectation whenever and wherever possible.
8. To question the agency personnel and the university coordinator about incompletely understood facets of the experience in order to maximize learning.
9. To file all reports and evaluation forms on time.
10. To complete satisfactorily all of the requirements for the internship.

Preparation for the internship:

1) At least two semesters before the internship is to begin, the student should attend an internship information meeting.
2) Make sure all materials necessary for registration for the internship have been submitted to the Supervisor.
3) Follow the time line for submitting materials distributed or discussed at the meeting.
LIABILITY INSURANCE

Agencies where you can obtain liability insurance include the following:

Option 1:  Agency - Healthcare Providers Service Organization Purchasing Group - HPSO American Casualty Company of Reading, P A

This is the better option, but please remember, these companies are NOT open on the weekends and it will take 48hrs to get your certificate. Do not wait until the last minute to purchase as we have no control over their schedule.

401 Penn St.
Reading, P A 19603
Phone - 1-800-982-9491 Internet- www.hpso.com

They provide $1,000,000 liability per occurrence student coverage at a cost of $25 - 40.00. You apply as an Exercise Physiology student.

Option 2:  Company: Marsh, A Service of Seabury & Smith

Has been known to be problematic.

75 Remittance Drive
Suite 1788
Chicago, IL 60675-1788
Phone: 1-800-503-9230
internet: www.proliability.com

***Apply under student. If Exercise Physiologist Student (you may have to type this in, but it is an option). Please do not use Physical Therapist since this is not your major.

BACKGROUND CHECKS

Students requiring a background check for their particular internship site can go to the following website link for GSU to obtain information and a link. This will be out of pocket expense for the student.

http://education.gsu.edu/student-services/office-of-field-placements/criminal-background-checks/

GEORGIA STATE UNIVERSITY SPORTS MEDICINE

Staff, Sport and Semester Options:

Dinika Johnson (men’s basketball) (Fall, Spring & Summer)

Kasinda Hodge (sand volleyball) (Fall & Spring)

Amanda Hawkins (volleyball) (Fall & Spring)

Brandon Dobo (football) (Fall & occasionally Spring)

(women’s basketball) (Fall, Spring & Summer)

Formal application process includes:

- Letter of Application (stating which semester they would like complete their internship, sport or staff person if desired)
- Resume
- Proof of First Aid/CPR completion
- Anticipated academic schedule (if any)
- Utilization of Application Deadlines
- Formal Interview/Meeting (after other items are reviewed)
  - Those with hectic outside work schedules should not apply, because we would like our interns to be as available and flexible as we are. Exceptions can be made via individual staff working with those students who do have work obligations

Application Submission Deadlines:

Spring Semester Internship = October 1

Summer Internship = April 1

Fall Semester Internship = July 1

*Early submission is always welcome and recommended

- These deadlines are in place so that we have adequate time to review and find viable candidates that will help and improve our department
Application Submission Procedures:

Email: djohnson91@gsu.edu

Mail: Dinika Johnson

Full Packet of information listed below by the listed deadlines

NOTE: Students should not just “drop by” during our business day as we are assisting patients with private injury matters and working on administrative duties and may not have time to speak with them when they walk in.
Piedmont Healthcare is committed to the health and well-being of our patients, employees, visitors, physicians, and volunteers. The annual seasonal influenza vaccination for all patients and healthcare personnel is a safety priority. Without this vaccination, we put ourselves, patients, visitors and coworkers at unnecessary risk. The single best way to prevent the flu is to get a flu vaccine each season. As our Piedmont Promise states, we made a promise to do everything in our power to make you well and keep you well. We believe that without flu vaccinations, we are creating unnecessary risks to someone else’s health.

Influenza is a serious illness that can be prevented with a safe and effective vaccine. The Influenza Policy applies to all personnel, paid or unpaid, who are working in healthcare settings and have potential for exposure to patients, including:

- Physicians, nurses, nursing assistants, therapists, technicians, emergency medical service personnel, dental personnel, pharmacists, laboratory personnel, autopsy personnel, students and trainees, contractual staff not employed by the healthcare facility, and persons not directly involved in patient care but potentially exposed to infectious agents that can be transmitted to and from healthcare personnel (e.g. clerical, dietary, housekeeping, maintenance, and volunteers).

Piedmont will not be offering free flu shots to students. All students will be required to bring proof of obtaining the influenza vaccination to Occupational Health Services (OHS) prior to the deadline of October 14, 2013. Vaccination can be in the form of a shot, or nasal spray. Those who show proof of vaccination will receive a badge sticker to reflect receipt of the vaccination. Beginning November 1, 2013, all students and faculty in the Piedmont Healthcare system who have not been vaccinated will be required to wear a surgical mask in all areas for the duration of the Influenza season (November 1, 2013-March 31, 2014). Surgical masks can be removed to eat or drink.

Anyone who is allergic to the vaccination, has a medical concern, or has a religious exemption must complete the Exemption Request Form prior to the deadline of October 14, 2013. Exemption Request Forms can be obtained from Occupational Health Services (OHS). However, those students and faculty still must comply with mask requirements while at work for the duration of the flu season.

Should you have any additional questions or concerns, please feel free to contact me.

Thank you,

Jeff M. Wilson RN BSN | Training Manager | Corporate Clinical Development
1800 Howell Mill Road Suite 375 | Atlanta Ga 30318
O: 404-425-7346 | M: 404-858-9096 | E: jeff.wilson@piedmont.org
Background checks, immunization verification, TB screening verifications, and other items are required to be completed PRIOR to the start of your internship at Piedmont.

Please follow these steps to access important information and forms. Forms and documents for Piedmont must be scanned and emailed to the INTERNSHIP COORDINATOR FOR GSU.

www.piedmont.org

1. Click on “Careers” at the top of the page
2. Click on “Medical Professionals” at the top of the page
3. Click on “Student Orientation” located on the left side of the page

Complete noted forms and read material. There will be an extra cost associated with background checks, immunizations, etc.
Students Interning at NORTHSIDE HOSPITAL

Our office is responsible for the review and approval of all Allied Health student and Non-Nursing student credential files for clinical experience at the Northside Hospital Atlanta and Forsyth campuses. Below is a complete list of the required credential documents for approval for clinical experience.

Student Credentialing Items Needed:

- Health History Form
- Acknowledgement & Release Form
- Background Check & Drug Screen
- Student Skills Checklist for current semester (Faculty must complete)

The forms above can be obtained from the Northside Hospital website:

✓ Please instruct your Students to go to www.northside.com

✓ Click on “orientation”

✓ The password is classroom

The Student will be given access to view the NSH General Orientation Slideshow

- Validation of Licensure (if appropriate)
- BLS/CPR Certification (if appropriate)
- Professional Liability Insurance (School Policy)

Please note that effective January 1, 2009, Northside Hospital has required Background Checks and Drug Screens for all students. Advantage Students is the vendor that was chosen by School and Hospital Representatives at the last GHA meeting. Advise your student(s) to contact Natalie Ellington of Advantage Students for more details on screenings. She can be reached at 770-984-2727, extension 1376, or natalie.ellington@infomart-usa.com.
Faculty/Student Requirements as of Nov. 1, 2013

All students and faculty accessing Southern Regional Medical Center for clinical rotations must present in person with complete copies of required paperwork at least two weeks prior to starting any clinical rotation.

<table>
<thead>
<tr>

Accessing Instructor and Student Badges to SRMC:

Each Student should report with copies of all the items listed above in hand. Education will verify each faculty and student file for completion prior to giving badge access. Incomplete files will result in the student or faculty not gaining a badge for access.

For groups larger than five students, faculty must contact the Human Resources Department at (770-991-8041) to schedule an appointment for badges to be made.

Initial badges are complimentary. Faculty and students needing replacement badges due to loss or theft will need to pay $5.00 to the SRMC cashier on the main floor and present a receipt to the Human Resources Representative.

SRMC badges must be returned to the Education Department at the end of each clinical rotation. Schools failing to return badges will be denied clinical access for future placements. It is the responsibility of school faculty to ensure badges are returned.

All faculty and students must park in the employee parking lots of SRMC once badge is received.

SRMC reserves the right to decline faculty and students clinical experience based on the results of the criminal background check and/or drug screening.
Internship Applicant Questions:

1. How did you hear about our organization and what do you know about our organization?
2. Why do you think you are qualified for this position and why should we consider you for this internship?
3. What do you consider your strengths? What will you need to work on if you receive this internship opportunity?
4. What do you wish to learn from this experience?
5. What do you think a successful internship looks like?
6. Why did you choose your major or area of work?
7. What activities (work, sports, etc.) are you involved in outside of school?
8. How would your professor or past supervisor describe you?
9. Describe a project that had great importance to you and describe your role within that project.
10. What is or was the most challenging part of your education/work?
Application Process

Step 1 - Applicant hears of Rapid Sports Performance – Applicant emails resume and cover letter to Matt McDuffie. E-mail – mattmcduffie@gmail.com

Step 2 –Within 48 hours the applicant will receive an email with an application and an explanation of Rapid’s internship application and selection process.

**Note:** Video Portion of Application
Applicants need to shoot a quick 30-second to 1 min video of themselves and one other person (friend, classmate, etc…) on their smartphone or flip cam video camera. Applicants will be asked to cover the following in the video:
1. Introduce themselves
2. Explain what exercise they will have their ‘client’ perform
3. Briefly go over one or all of the following: 1) the setup of the movement 2) classification of the movement 3) the benefits/objective of the movement 4) how to perform the movement correctly

Step 3: Applicants email their application to mattmcduffie@gmail.com or upload their application to their folder on Dropbox created by Rapid Sports Performance.

**Note:** A Dropbox folder will be set up for each applicant with an example video in the folder. This will be where they upload their video so it can be viewed by Rapid.

**After the deadline for applications has arrived:**

Step 4 - Rapid will choose 6-8 applicants for in person interviews

Step 5 - In Person Interview

Step 6– Rapid Sports Performance chooses 2 interns

**Note:** Please contact Matt McDuffie with any questions about the application, process or video portion of application.

E-mail: mattmcduffie@gmail.com

Rapid Sports Performance is actively recruiting an Intern for Summer, 2014.
Position: Intern Performance Coach
City: Woodstock
State: Georgia

Company Description:

Rapid Sports Performance’s mission is to serve others by helping their clients reach their full potential. Rapid Sports Performance was started in 2002 by Mike Berenger and has grown to be a leader in sports performance training in the Atlanta area. Rapid creates a fun, hard working, educational, and goal-oriented environment for our clients and team members.

Performance Coach Internship:

Rapid is seeking a highly motivated individual that has a passion for providing an extraordinary service to our clientele. We are looking for someone equally passionate in expanding his or her knowledge and experience in the fitness industry.

Hours:

This is an unpaid academic internship. Interns are expected to work between 20 and 30 hours a week. Training occurs all day at varying times during the Summer, we will be flexible if you are taking summer courses. During the Spring and Fall our heavy training hours are from 4 – 9:30 pm weekdays due to our heavy population of middle school and high school athletes. We also train Saturday from 9 am-5 pm and Sunday 1-6 pm and we will be flexible with our interns’ schedule for the weekend hours. Hours are subject to change depending upon the time of year and population of athletes.

Overview:

As an intern with Rapid Sports Performance you will work under the supervision of experienced sports performance coaches. You will be directly involved in our programs including evaluation, program design, and training our athletes. We will have bi-weekly discussions on different philosophies and methods of training and how they are integrated into Rapid Sports Performance’s system of evaluating and training athletes. Interns will also have the opportunity to observe and assist with other aspects of the industry such as: sales, marketing, and facility management.

Requirements:

- CPR/First Aid certified for duration of internship term (please contact me if you need helping getting certified)
- Computer Literate-Word and Excel
- Fulfilling a curriculum or graduated in Exercise Science or related field
Expectations:

- Detail Oriented
- Process Oriented
- Proactive
- Ability to work in a team environment
- Positive, Energetic attitude
- Eager to learn
- Open minded
- Able to accept constructive criticism
- Comfortable communicating with clients, parents, and coaches
- Engaging with clients and parents
- Ability to motivate others
- Act in a manner in and outside of Rapid Sports Performance that would serve as a role model for young adults

Preferred experience, level of education, classes taken (but not required):

- Senior level student
- Enrolled in or completed – 1) Biomechanics 2) Motor Learning 3) Exercise Physiology and 4) Exercise Prescription
- Experience in Athletics (coaching or participating) in High School, College or Recreational

Interested candidates should forward a resume and letter of interest to:

Matt McDuffie, mattmcduffie@gmail.com

Internship - Career Opportunities

Thank you for your interest in becoming a part of the Titus team. Our mission is to turn athlete potential into performance by providing clients with world-class testing, tracking and training tools delivered by coaches of high character.

We institute a career plan that rewards those who commit to being the best representatives of Titus. Beginning as an Intern, each coach is presented the same opportunities to develop into a seasoned performance coach. You MUST be reliable, coachable, energetic, and have a passion for human performance training.

Our coaching expectations are as follows:

1. **Professional Development:** You will receive ‘on-the-job’ training and orientation via watching groups led by Titus coaches. Coaches must be enthusiastic, positive and able to excite/motivate clients. Coaches should speak boldly and effectively, keep order in the groups, and be organized and well prepared for workouts.

2. **Training:** You are required to participate in training groups (speed-strength and/or fitness). In order to teach, you must be able to perform each movement properly.

3. **Commitment:** You will be required to commit to working during scheduled hours, which may include early morning, evening and/or weekend hours. Coaches must be on-site early to review daily operations and be prepared to start programs on time. Coaches must give immediate notice if an emergency arises and they cannot be at their scheduled groups. No call/no show will result in termination.

4. **Physically Fit:** You must be physically fit to perform all prescribed exercises in the workouts. Coaches must wear their Titus apparel, shirts tucked in, and display good hygiene habits.

5. **Code of Conduct:** You must be a solid ambassador of Titus both in AND OUTSIDE of the facility. You must represent quality character, possess high morals and communicate in an open, honest and respectful manner.

There's work and there's your life's work and the opportunity to love what you do. Our team is made of individuals who want the opportunity to make a positive impact in the lives of others. Those who want their work to add up to something much bigger than themselves.

THE TITUS TEAM
Coaches Role:
To ensure the highest quality of coaching and services across all lines of business. To communicate client needs across appropriate channels and grow markets of personal influence.

Objective
- To be introduced to the Titus mission, vision, strategy and core values
- To learn the fundamentals of performance coaching: knowing client’s names and using them frequently; inspire and encourage; teach and inform.
  - To learn the fundamental components of training: exercise names and how to execute them properly.
- To be dependable, reliable and become familiar with a dynamic work setting.

General Responsibilities
- Practice the exercises in the workouts you will be teaching.
  - Gain understanding of the group structure and proper time allotments per workout and daily operations.
- Assist in group training, set up, supervision, facility maintenance and clean up or breakdown.

Specific Duties
- Proper arrival time for groups (15 minutes before group starts to review workout and setup)
- Wear proper attire while coaching.
- Set up and breakdown equipment for all workouts.
  - Cleaning and maintenance includes: wiping down upholstery, cardio equipment and all touch points, vacuum, sweep, mop, etc. Organize cleaning supplies when finished.
  - Deal with clients in a positive, encouraging and compassionate way at all times. NEVER curse or show frustration towards a client. Smile, make eye contact and use client first names.
- Be assertive and take responsibility to coach at the best of your ability. Ask questions at appropriate times, act and coach confidently to all clients, step up and grab hold of the opportunity so to influence and impact in a positive way.
- Learn, understand, and assist in business and administration of the Titus organization; developing client / coach relationships, taking attendance, assisting with monthly package report / collection duties, marketing, social media, etc.
