Sports Medicine Graduate Assistant Position

PT Solutions Physical Therapy is a private physical therapist owned and operated company that has an excellent community Sports Medicine program. The sports medicine program has several 2 year graduate assistant athletic training positions available for the 2017-2018 & 2018-2019 academic year.

We provide Sports Medicine services for 21 area high schools in the extended metro Atlanta area, LakePoint Sports Complex and several other community organizations.

Each position will have rotations at the Lake Point Sports Complex and also rotation with other certified athletic trainer at our area high schools for the remaining portion of their clinical rotation experiences. This is a two-year assistantship beginning in August 1, 2017 and includes full tuition waiver, stipend and optional PRN event coverage for additional income opportunities. All graduate assistants are welcome to attend company CE events and opportunities. We can provide AHA BLS certification for required credentialing from the BOC and state of GA.

PT Solutions Physical Therapy provides a competitive stipend amount for the area as well the additional income opportunity on our PRN team of employees.

Individuals must be accepted into the Master's Degree program in Exercise Science at Georgia State University. More information about the academic program may be found at http://kh.education.gsu.edu/academics-admissions/exercise-science/exercise-science-m-s/ or by contacting Dr. Rebecca Ellis at rellis@gsu.edu. For more information about these graduate assistantships, please contact Dr. Benjamin Goerger at bgoerger@gsu.edu.

Qualifications:

1. Bachelor’s degree from a CAATE accredited athletic training program
2. Successful completion of the BOC exam by March 2017
3. American Heart Association BLS preferred but any BOC accepted credentials are accepted
4. Acceptance into the Exercise Science Graduate Program for the Fall 2017 Term
5. Excellent oral and written communication skills
6. An understanding that working evenings and weekends will be expected

Preferred Applicants please use the below steps:

1. Apply to the Exercise Science Master’s program between February 1, 2017 and May 1, 2017.
2. Register and Sit for BOC exam no later than the March/April 2017 tests dates
   a. March/April Exam Date = Registration Deadline: February 27, 2017 (5:00pm CT)
3. Apply to PT Solutions Physical Therapy by March 31, 2017
   a. Confirmation of completed graduate application process and BOC exam results are preferred.

Interested candidates please submit letter of interest, resume, and contact information for three professional references via email to Jessica Peters. Candidates may apply for the assistantship before being accepted into the graduate program.
